

## SPONSORSHIP

We are in constant need of upgrading our teams playing strips etc and raising funds to help run the club. As you can imagine this requires a large amount of money, so we are always in need of sponsorship.

If you can help or know of someone or a business that may be willing to help please contact a club Executive to discuss details, all sponsorship packages can be adjusted to suit businesses individual requirements. Please note any sponsorship (big or small) must go through the Executive Committee for approval.

You could benefit from naming rights on a set of shirts which can gain you advertising in areas from the Hunter Valley to Port Stephens/ Newcastle and Lake Macquarie for the life of a playing strip, which represents great value, plus other advertising such as signage at all home games and on our web page.
